OCTOBER 2010

INVITATION TO 2010 ANNUAL MEETING

To Members and Friends,

You are cordially invited to the 2010 Annual Meeting of the Chatham Marconi Maritime Center. The meeting will be held at the Chatham Community Center on Saturday, October 30, starting at 10:00 am. Coffee and doughnuts will be served at 9:30 am. The agenda for the meeting is shown below.

There were many significant achievements for CMMC during the year 2010. We opened our Center to the public on August 1, with a professional and exciting exhibition of the history and science of wireless communication at Chatham Radio WCC. The challenges we faced with both our schedule and funding required that we begin without some exhibits and a few others incomplete. We referred to this opening as a "preview." Despite our shortcomings, the feedback from our visitors has been overwhelmingly positive.

We will be announcing a major gift to our capital campaign at the meeting. The gift will enable us to improve and expand our exhibits and provide more opportunities for visitor involvement. We expect to complete work on our new exhibits in time for a grand opening next summer. Beyond that, we are updating our vision for our education initiatives and our facility. We look forward to sharing the vision with you on the 30th.

This gift could not have come at a better time for us. It has generated a sense of excitement and renewed purpose as we look to the future.

Let me end by thanking you for your continued support of CMMC. Without you, we would not be where we are today.

Charles Bartlett

Charles Bartlett, President, CMMC
